COVID POLICY IN ACCORDANCE WITH PUBLIC HEALTH ORDERS

AS OF SEPT. 4, 2021

BCA will be in compliance with the Manitoba Government's mandate with respect to Group instructional classes.

All persons over the age of 12 that wish to take a class at The Centre will need to provide proof that they are fully immunized or have proof from the Government of Manitoba that there is a medical reason not to receive a vaccine for Covid -19

It is also BCA's decision that all instructors and volunteer helpers with classes will also be fully vaccinated.
